c) (i) Figures for the six months ended 31 March 2020 represent the balancing figures between audited figures in respect of the full financial year and the reviewed figures for the six months ended 30 September 2019. (ii) The Statement includes the results for the six months ended 31 March 2019 being the balancing figures between audited figures in respect of the full financial year and the special purpose restated standalone unaudited financial results for six months ended 30 September, 2018 prepared in accordance with recognition and measurement principles of Ind AS, after giving effect of the adjustments relating to incorrect accounting for Compulsory Convertible Preference Share ('CCPS') and Income from export benefits. The special purpose restated standalone unaudited financial results of the Company as at and for the six months ended ended 30 September 2018, prior to giving effect of aforesaid adjustments, were reviewed by predecessor auditors on which the auditor had issued an unmodified conclusion dated 8 July 2020.

d) Effective 1 April 2019, the Company has adopted Ind AS 116 "Leases", applied to all lease contracts existing on 1 April 2019 using the modified retrospective method along with the transition option to recognise Right-of-Use asset (ROU) at an amount equal to the lease liability.
