# DESPITE LOSS, FC GOA CELEBRATE FIRST **GOAL EVER IN AFC CHAMPIONS LEAGUE**

**FPJ NEWS SERVICE** 

C Goa's attacking midfielder Brandon Fernandes, whose incisive pass to Edu Bedia earned the team its maiden AFC Champions League goal, against Iran's Persepolis, said on Wednesday that "it felt great setting up my teammate to score a historical goal"

Though FC Goa lost 1-2 to the Iranian powerhouse, the memorable goal on Tuesday has given hope that the Indian Super League (ISL) outfit could come back strongly against the same opponents in the return-leg match on April 23.

This was FC Goa's first defeat in three games after they played goalless draws against Al Rayyan (Qatar) and Al Wahda (UAE) previously.

"It is my maiden assist in the AFC Champions League, and it really felt great setting up my teammate to score a historical goal. I was thinking about putting the ball in the right space and I knew that Edu (Bedia) will attack that space and it worked well," Brandon said.

With two points collected from their first three matches for FC Goa, there are still three more rounds of action to go. Looking back at his team's displays so far, Brandon stated that his side will

"It's definitely a great feeling and a big achieve ment for us to get these two points. Nobody expected us to give such a tough fight, but we kept pushing and working hard, and we will continue to push ourselves in the upcoming matches," the midfielder said.

FC Goa have impressed with their confident style of play in the last three matches, which has seen them create a number of scoring opportunities and brought them ever so close to pickirthree points against UAE-based club Al Wahda in the second match.

"This has been the style of FC Goa all along and the priority has been to maintain the ball posses sion. The coach has been guiding us through various aspects especially transitions and control ling the spaces, and the team is doing very well fol lowing it all," Brandon said.

He stressed that, "The most important thing is teamwork. You have to stick together as one. Yes, the level of competition is high but you can't give away easily. You have to give it your all.

### Oly test event for artistic swimming postponed to July

TOKYO: The artistic swimming test event for the Olympic Games has been postponed to July, world aquatic sports governing body FINA said. The event, which originally doubled as an Olympic qualifying

competition, will just serve as an "operational test" and be run by ne Olympic organizers FINA said in a statement on Tuesday night that the artistic swimming Olympic qualification event, which had been scheduled for early March, will be moved outside Japan and held in June. But the location has not been decided, Xinhua reports. The Tokyo 2020 organizing committee said the worsening Covid-19 situation in Japan is not the reason that has forced FINA to cancel the event.

"All parties have come to the conclusion that it will be difficult to hold the event in Tokyo due challenges posed by the sc. of other international aquatics events and the need to commence adaptation of the venue for the Olympic Games in mid-May," read a statement from the organizers. Japan has been suffering a fourth

wave of Covid-19 infections since late March, with the western prefecture of Osaka on Tuesday requesting that the central government declare a fresh state of emergency for the region. Similarly, informed sources said the Tokyo metropolitan government will request the central government to declare a new state of emergency in the capital this week as it also struggles to deal with a surge in Covid-19 cases.
