Will not work with Congress again in future, says PK

Patna: Political strategist-turned-politician Prashant Kishor on Tuesday asserted that he will not associate with the Congress in future.

"This is the party responsible for breaking my track record of winning. It is not improving and even it may drown me. Hence, I will never work with the Congress again," Kishor said with folded hands at an interaction with media in Vaishali, where he was to prepare ground for his Jan Suraaj campaign.

"In the last 10 years, I was involved in 11 elections and only one I lost in Uttar Pradesh in 2017. At that time, I was associated with the Congress party. It has broken my winning record," said Kishor

Three cops held in Ggn after two criminals flee from police custody

Gurugram: Six accused, including three policemen, were arrested in Gurugram on Tuesday for allegedly helping two criminals escape from police custody.

They were arrested and produced before a court on Tuesday.

The police have also arrested Arvind alias Aroop, Ajay Jaldhar and Nitin Bhardwaj, a guest house owner who allegedly helped the convicts to escape. PM Cares Aid Released To 4,345 Kids

TIMES NEWS NETWORK

New Delhi: PM Modi on Monday released benefits under the PM Cares for Children scheme to those orphaned due to Covid-19 and then wrote individual letters to each of the 4,345 beneficiaries where he shared the pain experienced by his mother, who lost her mother in a previous pandemic that occurred about a century ago.

"A century ago, when the entire world was in the grip of a terrible pandemic like today, my mother lost her mother. My mother was so young that she does not even remember her mother's face," the PM said. "She spent her entire life in the absence of her mother, without her affection. Imagine how she must have been brought up. Therefore, today, I can very well understand the anguish in your mind, the conflict in your heart," Modi added.

He went on to urge the children to avail the benefits under the PM Cares for Children. "This scheme will ensure that you can dream freely and there is no lack of effort in helping you realise your dreams," the PM added.

Earlier in the day, Modi released benefits including scholarships to school-going children. The government will be providing scholarship assistance through the new "Scholarship for PM Cares Children" giving annual allowance of Rs 20,000 per child, comprising a monthly allowance of Rs 1,000 and an annual academic allowance of Rs 9,000 to cover the entire school fees, cost of the books and uniform, shoes and other educational equipment. According to a statement by the ministry of social justice, 3,945 children have benefited under the scheme with an amount of Rs 7.9 crore 2022-23.

Also, a passbook of PM Cares for Children and a healthcard under the Ayushman Bharat Pradhan Mantri Jan Arogya Yojana was handed over to children during the programme. As many as 4,345 children as per data available with the ministry of child and development have been approved as eligible for the PM Cares for Children scheme that will support their education, health, well being, including mental health, and provide a sum of Rs 10 lakh when they turn 23 years-old. The PM went on to highlight how India set an example before the world in the fight against Covid-19. "We trusted our scientists, doctors and youth. And we emerged as a ray of hope and not a concern for the world," he said. "We did not become the problem, rather we provided solutions."

PM said if someone needs an education loan for professional courses or higher education, PM Cares will help in that too. For daily needs, arrangements have also been made for Rs 4000 every month for them.
